Come celebrate iconic Route 66 and support Berryhill Public Schools and the Webster High School Alumni Foundation at the Southwest Tulsa Chamber of Commerce (SWTCC) Route 66 Golf Classic. The Berryhill Fire Protection District and Oklahoma State University School of Medicine is proud to provide community support to our westside public schools. Our goal this year is to raise \$9,500 and show support for our students and teachers.

Please join us at Old Page at Page Belcher with a shotgun start at high noon. We will have some refreshments and snacks, but a meal will not be provided for safety reasons. Please bring a mask and lots of business cards to exchange in our efforts to continue improving the economic and educational options for West Tulsa. If you have prizes to donate for silent raffle, gift bags or just because we welcome your donations at the Berryhill Fire Station (5911 W. 41st Street, Tulsa, OK 74107).

This will be a socially distanced tournament and will be coordinated through the Course Marshal's. Teams will show up and enter contests, use the range, be assigned a start hole, shoot their best golf, and go home with prizes and a sense of knowing you made a difference in the support of our schools and first responders.
